WELCOME TO CBC!

We are so glad you are here! CBC is a growing, non-denominational church made up of different people from all walks of life. Our mission is very simply to equip people to better follow Jesus so that they impact their homes, their community, and their world for Jesus Christ. We want to "Make Disciples Who Make Disciples" and all of our ministries are committed to this purpose.

Tuesday, April 20th 7 pm

An opportunity for recent visitors of CBC to meet our leadership and their families along with learning more about the history and vision of CBC. We will take this time to share what God is doing through our church at the Y both locally and globally. This will also be a great time for us to get to know you better, answer any questions you may have, and meet others who are new to CBC.
